By Road

From the South

Come off the M3 at Junction 9. Take the first turning on the left signposted Winnall Industrial Estate, stay on this road until the end.

From the North

From the A34 come to large roundabout over the M3 (J9). Get into right hand lane and take your 3rd exit off signposted Winnall Industrial Estate, stay on this road until the end.

You should now be facing Winchester Fire Station. You are now in the one way system, so turn left and immediately get into the right hand lane of traffic, follow the road round to the right, there is a car park on your right and the Brooks Shopping Centre with car park on your left. As you reach St George's Street (McDonalds is on your left) get into the left hand lane of traffic. At the top of St George's Street come to set of traffic lights, turn left and immediately get into the right hand lane of traffic.

Go straight across next set of traffic lights and take the first turn on the right into Staple Gardens (quite a tight entrance and beware of traffic coming out).

Stay on this road for approximately 500 metres, past the road on the left (Cross Street), Staple House is on your right opposite a two storey building (Carter Jonas).

To reach the visitor parking space turn right immediately before the entrance to Staple House go down the ramp to parking underneath the building. The visitor space is immediately in front of you against the right hand wall.

By Rail

At the front of Winchester Station turn right and walk up Station Road past the Territorial Army Building on your left. There is a row of shops on the right hand side where Station Road meets Upper High Street. At the end of Upper High Street, there is a sub post office on your right.

Turn left down the High Street, (Hampshire County Council offices are on your left), and further down a statue of A Man on a Horse on your right. Staple Gardens is the second turning on your left. Staple House is approximately 500 metres on your right hand side.
